REPORT OF SUPERINTENDENT OF COUNTY ALMSHOUSE AND HOUSE OF CORREC- TION AT GRASMERE, N. H.

*To the Honorable Board of Commissioners of Hillsborough
County:—*

I hereby present to you my fourth annual report as Superintendent of the County Almshouse, Hospital and House of Correction for the year ending Dec. 31, 1908.

There have been 401 inmates admitted during the year, the greater portion of which required the attention of the physician. There has been in the New Hospital an average of 38 patients. The old hospital which contains a different class of patients has been crowded the greater part of the time.

There has been open shacks built during the last summer for those suffering from tuberculosis.

There has been sentenced to the House of Correction 597 persons during the year and there has been the usual per cent. that were unable to do outside work and those that were not able to do any at all and nearly all needed the attention of the physician.

The House of Correction at the writing of this report is badly crowded owing to the fact that both cities, Manchester and Nashua have closed their farms as penal institutions, thereby nearly doubling our number of criminals.

C. A. Weaver, M. D., of New Boston and E. B. Swett, M. D., of Grasmere, have administered to those requiring medical treatment.

I wish to thank the W. C. T. U. for fruit, flowers, cake, confectionery, entertainment, books for the library and toys

furnished the inmates during the year; also the individuals who have furnished toys and reading matter which the inmates have greatly appreciated.

I also wish to thank Rev. E. C. Goodwin of Grasmere and Fr. J. J. Brophy of Manchester, for their faithful attention to the spiritual welfare of the inmates.

FORDYCE W. RUSSELL,
Superintendent.

PHYSICIAN'S REPORT.

To the Honorable Board of Commissioners of Hillsborough County:—

GENTLEMEN:—I am called upon to render my seventh annual report as physician to the Hillsborough County Almshouse. This is not only a privilege but a requirement. I have endeavored to do as best I could in the treatment, care and comfort of the sick at the Institution.

The whole number cared for at the Institution during the past year was fourteen hundred and twenty-seven. We have received many cases of contagious diseases for treatment at the hospital, but there has been no epidemic among the inmates of the Institution.

In the past year there has been more cases treated both medical and surgical than in any other year during my seven years' of service.

Messrs. Commissioners, I commend you for the interest you have shown for the good of the Institution, and I thank you for your courtesy to me.

Respectfully submitted,

C. A. WEAVER, M. D.

Number of Births at the County Farm, from Jan. 1, 1908 to Jan. 1, 1909.

CHAPLAINS' REPORT.

To the Honorable Board of Commissioners of Hillsborough County:—

GENTLEMEN:—Beginning with the month of June, we have held services regularly every two weeks, and have officiated at ten funerals.

We have also answered all calls to visit inmates for spiritual counsel and comfort. This service has been invariably pleasant, and we hope profitable. The utmost courtesy and kindness has been shown me at all times by the superintendent and other officials.

Respectfully,

EDWIN C. GOODWIN.

GRASMERE, N. H., Dec. 31, 1908.

ST. JOSEPH'S BOYS' HOME.

MANCHESTER, N. H., Dec. 31, 1908.

To the Honorable Board of Commissioners of Hillsborough County:—

GENTLEMEN:—I am happy to say my duties to and relations with officials and inmates of the County Institutions have in no way changed from that stated in my former reports. Both superintendent and matron have done all they could to aid in my administration towards the inmates under my charge which fact I sincerely appreciate.

I am glad to take this opportunity of putting myself on record in commending the outgoing Commissioners, for the efficient manner in which they have performed the duties of their office, for the conscientious and humane treatment of the inmates of the Institutions and for their uniform courtesy and kindness tendered me.

Respectfully,

JOHN J. BROPHY.

SOLICITOR'S REPORT.

To the Honorable Board of Commissioners of the County of Hillsborough:—

The case State against Shipman which was left over by my predecessor has been disposed of. Shipman having paid into court the amount agreed upon.

In the two actions to recover on recognizances, mentioned in my last report, the payments were made to your Honorable Board.

The petitions against the cities of Manchester and Nashua drawn by me in accordance with the vote taken by the County Convention February 22nd, 1907, were entered at the January term, 1908, of the Superior court. Each petition contained a full history of the individual case including copies of the acts of the legislature, the votes of the city government and of the lease. To these petitions demurrs were entered, which demurrs were sustained by the court, thereby ruling that under all of the facts the county had no claim against the cities.

Such a ruling was expected and the same is in perfect accord with the views of every lawyer I have known to express an opinion in these cases.

Two hundred and forty three cases have been entered on the criminal docket of the Superior court during this year, 217 of which were indictments returned by the Grand Jury. In a few cases the circumstances required continuances, all others have been disposed of in the manner usual to our court practice.

There are now no civil actions for or against the county in any court.

Respectfully submitted,

AIME E. BOISVERT,

Solicitor.

Dated December 31, 1908.

JAILER'S REPORT.

MANCHESTER, N. H., Jan. 1, 1909

To the County Commissioners of Hillsborough County:—

GENTLEMEN:—The jailer has followed during the past year the same methods as were established by the decision of the Superior Court, December 1, 1907.

During the year 1908 he has turned over to the County Treasurer the sum of \$1,192.95 as profits accruing to the county from the labor of prisoners. This is exclusive of the amount to the prisoners direct and for wages of turnkey and other expenses.

Transportation of prisoners to and from court with the necessary protection has actually cost the county \$101.11. If old method was in force, the jailer would have received \$341 for this service, a saving to the county of \$239.89.

Key fees from prisoners confined on criminal process having been abolished, the county saved by this step the sum of \$226.50 the past year.

Taking the extra profit over the \$400 previously paid for the use of the labor of prisoners, plus the saving on transportation and key fees, gives the sum of \$1,259.34 saved to the county.

The County Commissioners have during the year purchased from David Wadsworth, the former jailer, and from your present jailer, the personal property owned by them and the county is now the owner of the furnishings of the buildings.

No repairs have been made upon the buildings and your attention is again called to the fact that some steps should

be taken in order that the Hillsborough County jail should be made as modern an institution as are the other county buildings.

The jailer would recommend the passage of such legislation as would enable him to uniform all the inmates which under existing laws, cannot lawfully be done.

The jailer and matron desire to tender their sincere thanks to the members of the East Manchester W. C. T. U. for their work among the inmates and for their holding of religious services.
